How Frequencies Benefit the Human Body

It has been discovered that the cells in the body vibrate at various frequencies depending on their state of health. ZeroPoint has identified specific frequencies that match the optimum state of health for each of the body's organs and systems. These are called Blueprint Frequencies.

When a person ingests or applies Mint Matrix Oil Vera, their body begins to 'resonate with the frequencies' that are in the Mint Matrix through a process called Biophotonic Entrainment. This is similar to a tuning fork that will pick up the frequency (sound) of another tuning fork in its vicinity. When they are close to one another, they will both begin to 'resonate at the same frequency'.

When the organs and systems of the body are attuned with the frequencies that are in the Mint Matrix, the body returns to a balanced state. The body is able to protect and heal itself when it is in balance.

Testimonials

"In addition to using the Mint Oil Vera for gums and teeth with a remarkable decrease in the amount of dental plaque and improvement in the reduction of gum pockets, I also used the Mint Oil Vera with great success to: ease the pain of a sore throat, opens stuffy nasal passages, overcome discomfort of an upset stomach." - Gloria H., CA

"Fantastic! Even our 10 year old likes it. My gums were significantly stronger. I absolutely love it!" - Werner B., ME

"I went to have my teeth cleaned and my Hygienist said my teeth looked good and there wasn't very much plaque. It was the easiest teeth cleaning I had ever gone thru." - Brenda G., VA

"For the last 16 years, I have experienced extremely painful menstruation and other not so pleasant symptoms. I have been wearing my ZeroPoint pendant every day for about 6 months, but noticed my symptoms were still there. I started using the Green NaturaLaser on the inside of my ankles and in my navel with amazing results. My ankle swelling and other PMS symptoms were dramatically reduced. Now, with the addition of 1 drop of Mint Matrix to my ankles, navel, and lower abdomen, my severe menstrual cramps have been eliminated! I am now active, energized, and feeling fabulous every day of the month! I am forever grateful for these products!" - Velvet C., FL

"I was given Mint Matrix Oil Vera by my friend. She knew I had problems with my lungs as I have COPD, and she knew that I had a bad cold. I can honestly say that the next day I was breathing much better and on the road to recovery." - Emma B., FL

"My lower back went out again Sunday, April 25th and the shooting pain was about an 8. My back would go "out" each year when I work in my gardens and this time it wasn't as bad. I used the red and green lasers and did Matrix, Reiki, and Yuen and had energy treatments. I got through the week teaching piano being very careful not to move too much.... Yesterday and today I was feeling better and I would say the pain was about a 3. During the Zero Point meeting tonight I tried to reach for something and felt the pain in the lower back... and a few minutes later my friend put a drop of the Mint Matrix on my lower back and I rubbed it in. Within a minute I attempted to get up out of my chair and there was absolutely NO PAIN at all!!!! They said my face glowed with excitement. Here is it four hours later and no pain. I can bend backwards, forwards and it is like my L4 and L5 disk pain disappeared. When you experience an abrupt release of pain like this, you know there is something to these Zero Point Global products. You can be assured that I will continue to experiment with these oils and products. I am happy to be with the Zero Point Global Family!" - Glory L., MD

"On Friday, May 7, you treated my back with Mint Matrix and the ZeroPoint Red NaturaLaser. When you finished, the pain was gone. It had been getting more severe, and that day, just walking was very painful. It seems like a miracle!!! The pain has not returned!!! It has changed my life. I can move freely and bend and lift!!! Many, many thanks." - Walda, MD

"Among the many amazing uses of the Oil Vera Wellness Solutions, I have personally found them to be wonderful in assisting in weight loss. Every day for a month, I took a few drops of the Mint Matrix by mouth in the morning and the afternoon, and applied the Citrus Silk to my hands and face every morning, and mixed one spray of the Citrus Silk into my water bottles throughout the day. I noticed that I simply wasn't hungry, and without the hunger cravings, I was much less likely to snack on fast food or drink sodas. With no major change in diet or exercise, in just one month I lost 17 pounds and am down two and a half pant sizes. More importantly, the weight came off and it's staying off! Thank you ZeroPoint!" - Brian Z., FL
